Empowering HR and Employees through Odoo Solutions

1

Streamlining the Journey to Top Talent

Implemented automated ATS with streamlined workflows, leading to **30-40% faster integration of key hires** and an enhanced candidate experience.

2

Ensuring Seamless Compliance & Peace of Mind

Configured Odoo for 100% compliant PKWT/PKWTT contracts and BPJS readiness, providing security and mitigating legal risks for all.

3

Freeing HR for Strategic Impact

Created digital onboarding with centralized data, significantly reducing administrative tasks by **25-30%** and allowing HR to focus on people-centric initiatives.

Driving Tangible Impact & Future-Ready HR

CoreHR Connect delivers real results: **95% data accuracy, 50% faster** paperwork completion, and freed-up HR teams focused on strategy instead of admin.
